SPOKANE-Undergraduate and Professional Student Petition for Academic Calendar Deadlines

Important Instructions: Read this page before submitting your petition. Please allow 4 to 6 weeks to process your request. You will receive a letter by mail to the address you indicate on the petition form.

Academic Regulation 57 in the WSU Catalog requires petitions to be submitted within two years of the date of enrollment. Your petition is a request for the University to make an exception to an academic deadline. Your petition will be reviewed by a committee that meets approximately every two weeks. Petitions are considered ONLY in the case of extraordinary circumstances. Examples include a serious illness, a death in the immediate family, a medical emergency, or a university error that either affected your attendance and completion of classes, or precluded your ability to drop, withdraw, or cancel your enrollment by the deadline. Missing a deadline, receiving a low grade, or changing majors are not considered extraordinary.

➢ Documentation is extremely important! The Petition Committee will use the verifiable documentation you provide and your explanation of your extraordinary circumstances as the primary basis for the approval or denial of your request. (See examples of types of documentation below.) Your petition must provide supporting documentation for the committee to use in reviewing your request. It is your responsibility to provide adequate documentation that corroborates your statement. Due to the number of requests, the Registrar’s Office cannot initiate contact with your doctor, advisor, etc. Letters and statements of support should be on letterhead, or emailed directly to the email below and include a review of the circumstances with specific dates and a recommendation. In your written statement, be sure to include as many specific dates and names as possible. You may attach a separate letter if you need additional space.

Examples of Documentation:
• WSU Spokane Counseling and Testing Services letter of support
• Medical documentation from non-WSU personnel. Provide a letter on letterhead from your health care provider that includes a brief description of the medical condition, the approximate date the condition began, and how that condition affected your ability to function academically.
• advisor’s statement, on letterhead or directly emailed to the email address below
• instructor’s statement, on letterhead or directly emailed to the email address below
• Access Center statement, on letterhead or directly emailed to the email address below
• Dean of Students statement, on letterhead or directly emailed to the email address below
• Student Financial Services statement, on letterhead or directly emailed to the email address below
• copies of prior correspondence (letters, e-mails, etc.)
• counseling records
• court records
• proof of non-attendance
• other documented extraordinary circumstances

Regardless of the committee’s decision, you will be billed a $10 non-refundable processing fee on your student account for filing the petition.

Remember to sign and date the attached form and return the petition package to the Registrar’s Office, Academic Center, Room 130, mail to Academic Center Rm 130, 412 E Spokane Falls Blvd, Spokane, WA 99202, or fax to 509-358-7538.

Questions can be referred to (509) 358-7530 or emailed to spok.reg@wsu.edu.
