Psych Students,

Welcome to week 2 of spring 2022! I hope you are settling into your classes and getting back into the routine of school. In this week’s newsletter you will learn about a study abroad opportunity and some paid open positions that are available to apply for. Also make a note of the important dates listed below. As a reminder your academic advisor responds to email and conducts advising appointments during regular business hours from Monday to Friday and does not respond to email or conduct advising appointments on weekends or WSU holidays. If you are not sure how to schedule an advising appointment you can always visit, https://psychology.wsu.edu/undergrad/make-an-advising-appointment/, for instructions.
