Seniors,

Check out this special edition of our newsletter to make sure you have all your bases covered and stay on track to graduate in a timely manner.

Your advisor is always available to meet with you if you have questions or want to go over your graduation plan.

It is important that you regularly run a “What if” or “Academic Progress Report” to make sure that you are on track to graduate.

Applying for Graduation

Students who are admitted to a major and have completed 90 credits are eligible to apply for graduation. Applying for graduation is not optional and is a graduation requirement. If you are not sure how to apply visit the link below for step-by-step instructions:

https://graduations.wsu.edu/applying-for-graduation/

March 4 is the deadline to apply for spring 2022 graduation

March 4 is the deadline to apply for summer 2022 graduation and be included in the spring commencement program

Psych Senior Exit Survey:
Psych graduating seniors are expected to complete a Psych Senior Exit survey. Failure to complete this survey will cause a delay in degree conferral. The survey is 10-15 minutes long and can be found at the following link: https://psychology.wsu.edu/undergrad/senior-exit-survey/

Minors/Additional Majors/Dual Degree
Now is the time to check to make sure all of your minors and additional majors are added to your academic plan:

Authenticate into myWSU—>“Academic Advising”—> “Academic Progress”

If you notice any minors/additional majors missing be sure to contact the respective advisor for those programs. That way you ensure that those programs show up on your transcript.

Post-Bacc Opportunity for Graduating Seniors!!!!!!

Post-Baccalaureate Program in Applied Psychology
UC Santa Barbara and UT Austin are recruiting graduating seniors who want to use science and technology to make a positive impact on the world. Come spend next year contributing to a fast-paced, mission-driven effort to improve the focus and emotional resilience of teens across the country.

- Get deeply involved in applied research that is funded by the U.S. Dept. of Education
- Co-author at least one peer-reviewed scientific article
- Choose a post-bac specialization that aligns with your career aspirations
- Receive career mentorship and extensive support when applying to jobs or graduate school
- Help provide tens of thousands of students with evidence-based mindfulness training

Post-bacs can also kick-start the year with free access to the Summer Institute in Applied Psychology—a 3-week academic retreat in Costa Rica. The summer institute combines mindfulness classes, expert-led workouts, and world-class instruction on the science of long-term success and happiness. Details at https://empiricalwisdom.com
