Psych Students,

Welcome to week 7 of spring 2022! You are almost to the halfway point! Summer enrollment opens soon. Summer enrollment dates are available in myWSU. There are several Path to Success virtual events planned for this semester. Save the date if you want to attend. You will also find information about a great service learning opportunity!

Interested in reading past newsletters? You can now find all of the spring 2022 newsletters here: https://psychology.wsu.edu/undergrad/newsletters/

Happy reading!

Summer Session

Need to catch up on credits or want to get ahead? Is there a class that you need to take but have a hard time getting into for fall or spring? Summer session could be for you!

- **Enrollment for summer** begins on March 7
- Check your enrollment date in myWSU to see when you can begin enrolling for summer classes
- During summer you may take courses on any WSU campus
- You can learn more about summer session including what courses are being offered at [https://learn365.wsu.edu/summer-session/](https://learn365.wsu.edu/summer-session/)
Study Abroad

• Did you know Psych majors often have flexibility in their graduation plan to study abroad?
• Not sure what to take for your electives? Why not use those to study abroad.
• Studying abroad builds important skills such as problem solving, critical thinking, and intercultural sensitivity.
• The experience can also help you to stand out among job applicants or graduate school applications.
• Early planning is key. If you would like to build study abroad into your plan bring it up during your next advising meeting.

The first step to making your study abroad dream a reality is attending a Global Cougs 101 information session.

You can also visit the Study Abroad Guide for Psychology majors to learn about programs that could be a good fit

SERVICE YEAR OPPORTUNITY FOR GRADUATING SENIORS

Are you or someone you know looking for a service-year opportunity working directly with young children? Apply today!

ACCEPTING APPLICATIONS YEAR-ROUND
CASAHOPE.ORG/HANDSOFHOPE
The Hands of Hope Service Year Program at Casa de Esperanza provides recent college graduates first-hand experience caring for emotionally and medically fragile children. Hands of Hope house parents commit a year to live and work with the children living in the agency foster homes and undergo over 80 hours of training before caring for children.

WHAT WILL I BE DOING?
Everything necessary to properly and safely care for, advocate for and meet the daily needs of four to five children placed in your home.

WILL I BE DOING THIS ALONE?
No! The community is made up of ten homes in a gated neighborhood with approximately four (4) Hands of Hope House Parents in each home.

WHAT ARE THE REQUIREMENTS?
In order to be considered, you must have the ability to make a one-year commitment (shorter commitments considered), be 21 years of age, be willing to work closely with children with behavioral and developmental issues, and pass a background check & drug test. Valid U.S. Driver’s license is also preferred.

DO I HAVE TO HAVE A SPECIFIC MAJOR?
No! All majors are welcome. Common majors include social work, pre-medicine, psychology, education, sociology, health sciences, and social justice.

HOW WILL THIS HELP MY FUTURE?
A Hands of Hope gap year gives you the opportunity to earn hands-on experience learning how abuse, neglect, and the effects of HIV play in the lives of some of our most vulnerable children. You will be working directly with therapists, specialists, and social workers to meet the specific needs for each child, exposing you to several career options for the future.
