Psych Students,

You made it to week 17—finals week! To those of you with finals this week remember you got this!

Congratulations to our graduating seniors! We wish you the best in your future endeavors. Check out page 3 if you plan to attend commencement on May 7.

This is the final newsletter of spring 2022 so here are some important reminders:

- Continue to check your messages occasionally throughout the summer.
- **Check your fall schedule** and make sure that you are enrolled (look for the green check mark) in all of your courses.
- If you are **waitlisted for any class** (yellow triangle) I recommend enrolling in an alternate course in case you are not enrolled from the waitlist.
- On **May 11** check your final grades. It is important to check your grades to make sure that you passed any pre-requisite courses for your fall courses. You may need to adjust your schedule accordingly.

Advisors are still available in the summer for help if you need it!

Happy reading!

Missed any of the past newsletters?

You can find all spring 2022 newsletters here:

- 6 Tips for performing your best during finals
***** Spring 2022 Commencement Reminders *****

- Spring commencement will take place on **Saturday, May 7**

- Psychology majors participate in the **3 PM ceremony** (College of Arts and Sciences)

- **Plan to arrive by at least 2:30 PM** to give yourself enough time to line up

- Personal items should be left with family members or at the supplied coat check stations during the ceremony

- Line up outdoors on North Fairway Drive, between the coliseum and the green parking lot (look for the Psychology sign)

- **Friday, May 6:** Pick up your “reader card” at Beasley Coliseum ticket office from 9am to 6pm and on Saturday, May 7 from 9am to 1PM

- Your reader card confirms that you are present and helps the presenters say your name correctly

- Do not lose your reader card and bring it with you on Saturday

- Allow enough travel time for traffic, finding parking, and walking to Beasley Coliseum

- Wear comfortable shoes

- Secure your tassel to your cap so you don’t lose it

- If you earned honor cords, be sure to wear them

- If you have family and friends who are not able to attend in person, they can still see you walk via the Experience WSU livestream, https://experience.wsu.edu/

- If you rented regalia it must be returned before May 14, 2022
  - If regalia was shipped to your home return it to Herff Jones in the postage-paid return packaging
  - If you picked up your regalia from The Bookie, please return all pieces to the store

- You get to keep your cap and tassel!
GRADUATING SENIOR REMINDER!!!!

Psych Senior Exit Survey:
Psych graduating seniors are expected to complete a Psych Senior Exit survey. Completing the survey is not optional. Failure to complete this survey will cause a delay in degree conferral. The survey is 10-15 minutes long and can be found at the following link:

https://psychology.wsu.edu/undergrad/senior-exit-survey/

ACID Lab Seeking Research Assistants for Fall 2022

Dr. Paul Whitney, Dr. John Hinson and Anthony Stenson, PhD candidate are looking for 7+ students to assist them in the Affective and Cognitive Influences of Decisions (ACID) lab starting fall 2022.

The following site will provide more information on the lab:
https://labs.wsu.edu/acid/

If you are interested in this research opportunity, complete the application on the next page and send it to Anthony Stenson (anthony.stenson@wsu.edu)
Affective and Cognitive Influences of Decisions (ACID) Lab Application

Name:

Expected graduation date (Semester/Year):

Overall GPA: Psychology GPA:

Provide a brief description of your background in psychology or related areas (e.g. neuroscience):

What are your reasons for wanting to join the ACID lab? What do you find most interesting about our research program?

What are the experiences/opportunities you are looking for by assisting in this lab?
What are some of your academic strengths and weaknesses?

What are your career plans after receiving your undergraduate education?
Career & Internship Resources

- “Washington Workforce Portal” is a free, one-stop online resource that allows you to search for internships in a variety of fields and industries throughout the state of Washington. You can search by region, type, and even post your resume to find a match. Check it out at: https://www.washingtonworkforceportal.org/.

- National Science Foundation Internship Opportunities: NSF funds a large number of research opportunities for undergraduate students through its REU Sites program. An REU Site consists of a group of undergraduates who work in the research programs of the host institution. Check out opportunities in the subject areas supported by various NSF units.

- Undergraduate Research Opportunities and Internships for Psychology Majors: A comprehensive list of opportunities from different universities for psychology majors.

- The ASCC recently updated their page so you can explore career paths and look through job postings (for example select “Human Services” then select “Jobs & Internships)

- Career coaches are available to talk to in the ASCC if you need more guidance. This resource is available to all current students and recent alumni (within 6 months of graduation)

- Look through past newsletters for more career/internship resources: https://psychology.wsu.edu/undergrad/newsletters/
