Psych Students,

Welcome to week 13! If you have met with your advisor and you have no hold on your account don’t delay registering for spring classes. Psych courses fill quickly and enrollment is first come first served. If you have an advising hold on your account you will not be able to enroll until you have met with your academic advisor.

Thank you to those who participated in our Graduate School speaker series and Industry speaker series. If you were not able to attend you can still watch the recordings included in this newsletter. Keep your eye out for more exciting programming in the spring!

Next week is Thanksgiving Break! Academic advisors are still available Monday-Wednesday. WSU will be closed on Thursday, 11/23 and Friday, 11/24 in observance of the holidays.

Enjoy the break and we will see you when you return!

BECOME AN INTERNATIONAL STUDENT PEER MENTOR

MAKE A DIFFERENCE
Welcome new international students to campus; provide guidance and advice on adjusting to their new lives at WSU; and generally “be there” for our new Cougs.

LEARN & GROW
Leadership. Resourcefulness. Empathy. Responsibility. Use the skills you learn and experiences you have as a mentor the rest of your life...at school, at work, at home.

HAVE FUN
Meet people with interests like yours and totally unlike yours. The truth is, you will develop and enjoy friendships that will last far past your campus years.

DETAILS
★ Commitment is one academic semester
★ Mentors and mentees are matched as closely as possible by interests and preferences
★ Experiences can range from getting coffee with your mentee to participating in planned group events. Mostly, “you do you.”
