## EVENTS

### LET'S WRITE A RESUME!

Create a resume that reflects who you are in a powerful and professional way. You will increase your understanding of the basic components of a quality resume, learn to incorporate your academic and professional accomplishments, find great action words to describe your work, and gain skills to tailor your resume to a specific opportunity. You will also start to develop your cover letter through a review of a cover letter template and sample content.

- January 26, 2015
- 4:10 - 5 p.m.
- CUE 119

### JOBS & CAREER WORKSHOP; WITH THE ACCESS CENTER & ASCC

We will cover career related topics for students with disabilities such as navigating the job market, if and how to disclose disabilities on job applications, how to inform potential employers of disabilities without diminishing opportunities, and more.

- January 28, 2015
- 1 - 3 p.m.
- Washington Building 217

### PREPARING FOR THE EXPO

Arrive to the Career Expo ready to network! Learn the basic steps necessary to successfully navigate a career fair such as selecting and researching your employers prior to the expo, mapping the expo, and creating your 30 second introduction. It's never too early to start your internship or job search.

- January 29, 2015
- 4:10 - 5 p.m.
- CUE 119

### INTERNATIONALIZING YOUR RESUME

Have you studied, been an intern, or volunteered abroad? Ensure your employers understand the value of your international experience through strategic placement and development of transferable skills on your resume. Sponsored by Global Learning and the Academic Success and Career Center.

- January 29, 2015
- 12:10 - 1 p.m.
- Lighty 180

### STUDENT VETERANS CAREER RECEPTION

Network with Career Expo Employers from a variety of industries on job and internship opportunities.
