

# Publication Skills Workshop for the Agricultural, Biological, and Life Sciences

Learn about the publication process, foundations of good scientific writing, constructing a manuscript, and the review process in this full-day interactive workshop featuring guest speakers and co-authors of the book, *Getting Published in the Life Sciences*, Drs. Bill Graves and Dick Gladon from Iowa State University. Participants will leave this workshop with a better understanding of successful scientific writing and skills to implement to advance their own scientific writing abilities.

*This event is free and open to all students, postdocs, staff, and faculty.*
