Meet Vietnam Coug QUYEN (QUIN) NGUYEN
BA STATEGIC COMMUNICATIONS | CLASS OF 2018

WSU provided me countless opportunities to experience a true “American life” and share my culture with the community. I have grown so much, professionally and personally. And all of the experiences made my time at WSU memorable.

Upon transferring from Seattle Central College, Quin volunteered as a peer mentor in the International Programs Office. She wanted to help other new international students adjust to studying and everyday life at WSU. She also worked as a marketing and communications intern in the International Center, where she helped create and promote activities for international and domestic students. After graduation, Quin was approved for OPT and hired as a full-time communications and development assistant in the Office of International Programs.

After finishing her 1 year of OPT, she returned to Vietnam and is utilizing her degree and skills developed at WSU with an event agency. She is contemplating a return to WSU for a graduate degree.

Where exactly is Pullman?
Glad you asked! Pullman is located in eastern Washington State about 120 KM south of Spokane and 12 KM west of Moscow, Idaho. We’re nestled among 25,899 square KM of beautiful rolling hills in an area called the Palouse. Our location is perfect for camping, hiking, skiing, kayaking, rafting, and more. We even have 35 KM of paved bike paths. Grab a fellow Coug, and go explore!

See it for yourself!
visit.wsu.edu

“I immediately fell in love with Pullman and the Cougar spirit during the orientation.”

18,355 undergraduate

WHO are the COUGS?

WSU Cougs are creators, innovators, builders, and authors. We are motivators, self-starters, and scholars. We look to the stars while staying down-to-earth.

Above all else, we live our lives and pursue our studies with purpose. We come together from all over the world determined to change it for the better. And we are not afraid of hard work and leading the way.

WHERE DO WSU STUDENTS COME FROM?

114 COUNTRIES REPRESENTED

50 U.S. STATES REPRESENTED

30% OF STUDENTS ARE MULTICULTURAL

25% OF FIRST-YEAR UNDERGRADS ARE FROM OUTSIDE WASHINGTON STATE

WHERE DO WSU GRADUATES WORK?

You can find Cougs at the biggest and most innovative companies around: Microsoft, Amazon, the Boeing Company, Google, NBC, Marriott, Hilton Hotels Worldwide, Deloitte, Insight Global, Enterprise Holdings, and Energy NW, just to name a few.

WSU students also go on to work for a wide variety of community organizations and small businesses—and also start their own. The WSU alumni network is worldwide and opens doors for Cougs in all industries.
Meet Hawai’i Coug

ANTONIO BAK
PSYCHOLOGY (PRE-MEDICINE)
JUNIOR

For Antonio, coming to WSU was a leap into the unknown. He had never been to the Northwest, but the promise of snow and the University’s strong science programs beckoned. The leap paid off: he felt a sense of community the second he stepped onto campus. And when a friend asked for help starting a club, he jumped right in. As VP of the WSU Cookie Club, he helps students meld the therapeutic process and delicious results of baking with a variety of self-care and mental health resources.

“I love how many ways there are to get started in research here. I’m working in a psychology lab right now, learning the ropes. Next year I might even start a project of my own.”
WSU IS AFFORDABLE
International students with a qualifying GPA automatically receive scholarships. Our International Academic Awards range from $2,000 to $4,000 per year for up to four years.

WSU's cost of attendance is among the lowest when compared to other top universities on the west coast of the U.S. and the cost of living in Pullman is low. International students are able to work on campus for up to 20 hours per week and earn a minimum wage of $13.50 per hour.

YOU CAN GRADUATE IN FOUR YEARS
With our non-impacted majors, you can graduate in four years, saving you time and money. There is an option for everyone at WSU, with 95 majors and nearly 200 options to customize your education.

YOU WILL ENJOY A VIBRANT STUDENT EXPERIENCE
You will find a home away from home at WSU. There is also no shortage of things to do. Experience the roar of a packed Martin Stadium football game. Play intramural sports. Attend a concert in Beasley Coliseum or on Terrell Mall. Join a student club. Volunteer on campus or in the Pullman community.

A CLASSIC COLLEGE TOWN
Pullman is one of America's top 10 college towns and 25 most livable small cities—ranked by Sunset Magazine, MSN, livability.com, and Demographics Daily. The whole town rallies around its University. People smile, say “good morning,” hold doors open for each other, and are just kind in general. It’s part of our DNA.

CAREER SERVICES
Specially trained career coaches are available to increase your self-understanding, knowledge of the work world, and decision-making skills. We also offer career assessments to explore your interests, values, skills, and personality.

Each fall and spring the ASCC hosts a campus-wide Career Expo. Typically more than 100 recruiters attend from all types of organizations.

WSU encourages undergraduate research and offers hands-on learning opportunities in every major. The University helps students find internships with companies and organizations throughout the U.S.
Meet Saudi Arabia Coug

MOHAMMED ALGHAMDI
INTERNATIONAL BUSINESS | CLASS OF 2018

WSU helped me to really understand what I am capable of. I started believing in myself more and learned to be more confident. Especially after joining the International Center (IC). I call them the IC family because they are a family to me. I found the support I needed as an international student and being away from home at the IC.

My advice for everyone who wants to make this experience memorable is to volunteer as much as you can and engage with WSU to meet friends just like you from all around the world. I started my career as an international business student in WSU and I will start my first business soon with WSU! Once a Coug, Always a Coug!”

Mohammed returned home to Saudi Arabia after completing a year of OPT and is working as a Human Resource Manager.

“I think WSU is the best place for international students for a lot of reasons. Pullman is really safe and it’s a college town, so most people living here are students.”
"WSU has the best community I’ve ever experienced."

Meet Indonesia Coug
MARIA LO
BUSINESS ACCOUNTING MAJOR | CLASS OF 2018

If you’re going to WSU this upcoming semester, don’t be afraid to make friends!

YOUR EXPERIENCE Matters

TIER 1 RESEARCH UNIVERSITY
WSU is among fewer than 3% of U.S. universities that qualify for the Carnegie Foundation’s “very high research activity” classification.

I would like to fulfill my calling, which is to help less fortunate children. I graduated with a Bachelor degree in Accounting and interned at Foster Pepper, a law firm located in Seattle, WA. I am confident my background has helped me jumpstart my career and hopefully, as I learn and grow, I can open my own business. When the time is right I will help the less fortunate children in Indonesia, so that they can lead Indonesia to be a better and brighter country.

HONORS COLLEGE
International students are encouraged to apply to join the Honors college.
You will enjoy smaller, discussion-based classes taught by award-winning professors. The Honors college curriculum emphasizes preparation and understanding research within all fields and focuses on global awareness.
Learn more at www.honors.wsu.edu.
I want to change the world by being a physician who cares for patients with the cultural awareness I gained while studying abroad.

Meet Washington Coug

SHANELLE BRIGGS
BASIC MEDICAL SCIENCE & SPANISH
CLASS OF 2018

Shanelle translated and assisted with medical procedures during two WSU volunteer trips to Guatemala—an experience that inspired her goal of bringing medical care to people in developing countries. Now she’s in medical school, studying in a prestigious global health program.

PRE-HEALTH & PRE-LAW

Professional schools of health and law do not prefer or require any particular major—just choose a major you enjoy and can do well in.

Professional schools in health care fields do require specific prerequisites, however.

Our Health Professions Student Center and Pre-Law Resource Center can help you get the right prerequisites and prepare for the school of your choice.

healthprofessions.wsu.edu
prelaw.wsu.edu

WSU OFFERS FOCUSED PREPARATION IN THESE FIELDS:

• Pre-Dentistry
• Pre-Law
• Pre-Medicine
• Pre-Nursing
• Pre-Nutrition & Exercise Physiology
• Pre-Occupational Therapy
• Pre-Optometry
• Pre-Pharmacy
• Pre-Physical Therapy
• Pre-Physician Assistant
• Pre-Speech & Hearing Sciences
• Pre-Veterinary Medicine

* Majors that include one of these pre-professional tracks are marked with an asterisk.

WSU OFFERS PROFESSIONAL DEGREES IN MEDICINE, NURSING, PHARMACY, AND VETERINARY MEDICINE.

79% OF CLASSES have fewer than 50 STUDENTS

59% OF CLASSES have fewer than 30 STUDENTS
We walk and bike everywhere, whether it’s downtown or across campus. We thrive on coffee, Cougar Gold cheese, free movies at the Compton Union Building, and the uniqueness of two college towns connected by an 8-mile bike path.

We value arts, culture, science, and innovation. Between our lively music programs and the always-changing exhibits at WSU’s Jordan Schnitzer Museum of Art, there’s never a shortage of artistic expression in Pullman.

We have small-town friendliness and everything you will need for a meaningful college experience.

We even have four International Markets and restaurants specializing in cuisine from around the Globe, including Thai, Japanese, Chinese, Mexican, Korean, Italian, and more.

Sledding on campus is a winter tradition for students.
Studies show that students who live on campus have higher GPAs than students who do not. We care about your success, and that’s why we require freshmen to live on campus. You will attend late-night study sessions and weekend Netflix marathons, have access to our three dining halls, and be right in the middle of the WSU student experience.

housing.wsu.edu

GUARANTEED FRESHMAN HOUSING

With 20 residence halls on campus, incoming WSU students never have to worry about finding a place to live. There are plenty of locations and room options to choose from.
“I love the friends I’ve made here. I also like that WSU has so many activities for students.”

- BROOKE KENISTON

Go ahead and try something new. You never know what might happen.

- KIARA WHITE

Brooke and Kiara, roommates in Northside Hall, came to WSU from very different places. Kiara chose WSU because she was ready to experience something new. Brooke came to WSU because she loved the small-town location and the strong life science programs. They both found common ground—and a lot of new friends—by jumping into campus life together.

UNDERGRADUATE ADMISSIONS

To graduate with your 4-year undergraduate degree, you will need to take WSU University Common Requirements (UCORE) classes, plus major specific classes. WSU’s University Common Requirements course sequence is designed to help students acquire a broad knowledge of the world and skills to complement their major programs of study. The UCORE requirements apply to every student regardless of major and include courses in English composition, social sciences, humanities, history, mathematics, natural/physical sciences, diversity and arts.

Whether you are ready to start directly as a freshman or transfer student, or if you need additional time to improve your English language proficiency or build on your academic study skills, you can study at WSU! We will help you to apply to the program that best suits your goals and matches your study skills. Our programs are designed for every student, with the goal of making the journey to your graduation simple, fast and meaningful.

DIRECT ENTRY:
If you meet the academic and English language requirements for admission, you can apply directly to WSU.
To apply, you will need the following documents:
- Transcripts from all schools/colleges/universities you have attended. Unofficial copies are accepted for admission purposes. Official documents are required at the time of enrollment.
- Proof of English language proficiency – provide copies of your TOEFL or IELT exam, or tell us if you satisfy the English proficiency through completion of another exam or by satisfying one of our waiver requirements. Please review our webpage for details: www.ip.wsu.edu/future-students

Institutional Code | TOEFL: 4705 | SAT: 4705

BRIDGE:
This program allows you to begin earning credits toward your degree even if you do not meet the academic and English requirements for direct entry. In this program you will receive additional academic, English and cultural support to help you successfully complete your first year of study at WSU. Upon successful completion of your Bridge program you transition to degree-seeking status at WSU. Visit ip.wsu.edu/future-students for more information.

ENGLISH LANGUAGE PROGRAM: If you do not meet the direct or International Year One entry language requirements, you can enter the Academic English program to improve your language skills. Once you have achieved the required language level, you can progress to a Bridge program or enter WSU directly.

How to pay for college
scholarships.wsu.edu

Use our scholarship search engine and outside sources to find other awards.
- You can earn scholarships for community service, leadership, work experience, life experience, career goals, and more.
- Apply for as many scholarships as you can. We suggest applying for at least 40 scholarships from outside the University.
- Amounts range from a few hundred dollars to several thousand, and you can accept any number of awards. Even a few small awards can make a big difference.

Jobs and work-study
Working while in college is very doable. There are many student-friendly jobs on campus for international students. Working 10-20 hours per week during the school year, you could earn between $3,600-$7,200 before taxes. That is enough to help cover some living costs, books, or just give you extra spending money. Visit our job posting website, Handshake, at www.ascc.wsu.edu for more details.

It's worth the investment
On average, a bachelor's degree brings $1.6 million more than a high school diploma in lifetime earnings.
And how’s this for value: the average mid-career salary for WSU graduates with a bachelor's degree is $102,200, ranked among the top 14% of 4-year universities in the U.S. (PayScale College Salary Report 2018-19)

JOURNALISM & MEDIA PRODUCTION
TRANSFER STUDENT FROM SPOKANE FALLS COMMUNITY COLLEGE.

When I applied to transfer to WSU it was smooth and easy/simple process to follow. Whenever I had questions the International Admissions office answered my questions. I always appreciate our global office and the support they provide.

Admission to Washington State University is granted without regard to race/ethnicity, color, creed, religion, national origin, gender, sexual orientation, age, marital status, disabled veteran or Vietnam-era veteran status, disability, or use of a service animal.
