

Parking Permit Payroll Deduction Authorization

Eligibility

Payroll deduction for your parking permit is allowed for members of the WSU Faculty, Classified Staff, Administrative & Professional Staff, and Graduate Students on an appointment of 0.50 FTE or greater. Temporary employees are not eligible. Please complete the form below and review the following important information.

Pre-Tax Election Deduction

The Pre-Tax Parking Fee Deduction Program is available as an option. The option allows you to payroll deduct your parking fees on a pre-tax basis. You must elect whether or not to deduct your parking fee from your pre-tax income. When you elect to payroll deduct on a pre-tax basis, it reduces your taxable income. This allows you to realize savings in Federal Income taxes, Social Security, and Medicare.

Instructions

ONLY ONE PARKING PAYROLL DEDUCTION PAYMENT PLAN ALLOWED PER ACADEMIC YEAR.

If you are eligible to participate, complete the payroll deduction form below when you purchase your parking permit. Make sure you check the appropriate area in the ① "Pre-Tax election" section, ② indicate your Permit type and term, ③ check your Appointment type and ④ indicate the number of payroll deductions. Please complete the ⑤ Personal information and ⑥ sign the form.

Payment Plan Deduction Options

Following submission of the payroll deduction authorization form, payments will automatically be deducted from your paycheck each pay period (the 10th and 25th of each month.) In most cases, the first payroll deduction will occur on September 10th. **There are only four deduction options (depending on the permit purchase price, and purchase date): 2, 6, 12 or 18 equal payments. You may choose fewer payments; provided an available deduction option is selected.**

- 18 equal payments (9 months) for permits \$301+
- 12 equal payments (6 months) for permits \$101 to \$300
- 6 equal payments (3 months) for permits \$61 to \$100
- 2 equal payments (1 month) for permits \$60 or less

Refunds

Important note for Pre-Tax electors. Tax laws do not allow for a refund of the Pre-Tax Parking Fee once deducted. Therefore, deductions are September through August or until academic or cyclic appointment ends each year

If you wish to stop parking permit fee deductions, you must return the permit to the Parking office for cancellation of this authorization; then the deduction will be stopped on the next available pay cycle.
