EDUCATION

Doctor of Philosophy
Educational Leadership and Counseling Psychology, 2000
Washington State University, Pullman, WA

Master of Arts
Apparel, Merchandising & Interior Design, 1986
Washington State University, Pullman, WA

Bachelor of Science
Home Economics Education, 1981
University of Wisconsin-Stout, Menomonie, WI

PROFESSIONAL EXPERIENCE

2006-Present Clinical Associate Professor, Department of Human Development,
Washington State University, Pullman, WA.

RESEARCH INTERESTS

Student engagement in learning; distance education; educational program assessment;
school safety

GRANTS AND AWARDS (Total Awarded - \$926,052)

Current

Principal Investigator. Jump\$tart Washington Coalition. 2018-2019 (\$16,500). Grant received for WA-FCCLA to support FCCLA chapters as they implement projects related to increasing the Financial Literacy of Washington State residents. Leadership provided: authorship of grant application.

Completed

Principal Investigator. Office of Superintendent of Public Instruction. 2017-2018 (\$34,000). To provide leadership for the Family, and Consumer Sciences affiliated secondary level student leadership organization Washington--Family, Career and Community Leaders of America. Leadership provided: authorship of grant application; developed and managed budget; managed personnel and project activities.

Principal Investigator. Washington Traffic Safety Commission. 2018 (\$5000). To provide leadership training and preparation for fall regional leadership meetings. To become familiar with initiatives of the Washington Traffic Safety Commission as they apply to goals of WA-FCCLA. Funds awarded to WA-FCCLA for training.

Principal Investigator. Office of Superintendent of Public Instruction. 2016-2017 (\$31,250). To provide leadership for the Family, and Consumer Sciences affiliated secondary level student leadership organization Washington--Family, Career and Community Leaders of America. Leadership provided: authorship of grant application; developed and managed budget; managed personnel and project activities.

Principal Investigator. Jump\$tart Washington Coalition. 2017-2018 (\$15,000). Grant received for WA-FCCLA to support FCCLA chapters as they implement projects related to increasing the Financial Literacy of Washington State residents. Leadership provided: authorship of grant application; developed and managed budget; managed personnel and project activities.

Co-Investigator with Mary Wandschneider. Washington State University, Office of Assessment of Teaching and Learning. 2015-2016 (\$500). To facilitate the analysis of qualitative data from internship mentor evaluations.

Principal Investigator. Office of Superintendent of Public Instruction. 2016-2017 (\$31,250). To provide leadership for the Family, and Consumer Sciences affiliated secondary level student leadership organization Washington--Family, Career and Community Leaders of America. Leadership provided: authorship of grant application; developed and managed budget; managed personnel and project activities.

Principal Investigator. Office of Superintendent of Public Instruction. 2015-2016 (\$31,250). To provide leadership for the Family, and Consumer Sciences affiliated secondary level student leadership organization Washington--Family, Career and Community Leaders of America. Leadership provided: authorship of grant application; developed and managed budget; managed personnel and project activities.

Principal Investigator. Office of Superintendent of Public Instruction. 2014-2015 (\$32,589). To provide leadership for the Family, and Consumer Sciences affiliated secondary level student leadership organization Washington--Family, Career and Community Leaders of America. Leadership provided: authorship of grant application; developed and managed budget; managed personnel and project activities.

Principal Investigator. Jump\$tart Washington Coalition. 2014-2015 (\$15,000). Grant received for WA-FCCLA to support FCCLA chapters as they implement projects related to increasing the Financial Literacy of Washington State residents. Leadership provided: authorship of grant application; developed and managed budget; managed personnel and project activities.

Co-Investigator with Thomas Power & Debra Nelson. College of Agricultural, Human and Natural Resource Sciences. 2013-2014 (\$29,999). To provide graduate student support and professional development for select doctoral students to prepare for the role of teacher.

Principal Investigator. Office of Superintendent of Public Instruction. 2013-2014 (\$34,000). To provide leadership for the Family, and Consumer Sciences affiliated secondary level student leadership organization Washington--Family, Career and Community Leaders of America. Leadership provided: authorship of grant application; developed and managed budget; managed personnel and project activities.

Principal Investigator. Office of Superintendent of Public Instruction. 2012-2013 (\$35,714). To provide leadership for the Family, and Consumer Sciences affiliated secondary level student leadership organization Washington--Family, Career and Community Leaders of America. Leadership provided: authorship of grant application; developed and managed budget; managed personnel and project activities.

Principal Investigator. Office of Superintendent of Public Instruction. 2011-2012 (\$25,000). To provide leadership for the Family, and Consumer Sciences affiliated secondary level student leadership organization Washington--Family, Career and Community Leaders of America. Leadership provided: authorship of grant application; developed and managed budget; managed personnel and project activities.

Principal Investigator. Office of Superintendent of Public Instruction. 2010-2011 (\$43,400). To provide leadership for the Family, and Consumer Sciences affiliated secondary level student leadership organization Washington--Family, Career and Community Leaders of America. Leadership provided: authorship of grant application; developed and managed budget; managed personnel and project activities.

Principal Investigator. Office of Superintendent of Public Instruction. 2009-2010 (\$43,400). To provide leadership for the Family, and Consumer Sciences affiliated secondary level student leadership organization Washington--Family, Career and Community Leaders of America. Leadership provided: authorship of grant application; developed and managed budget; managed personnel and project activities.

Principal Investigator. Office of Superintendent of Public Instruction. 2008-2009 (\$43,400). To provide leadership for the Family, and Consumer Sciences affiliated secondary level student leadership organization Washington--Family, Career and Community Leaders of America. Leadership provided: authorship of grant application; developed and managed budget; managed personnel and project activities.

Principal Investigator. Office of Superintendent of Public Instruction. 2007-2008 (\$42,400). To provide leadership for the Family, and Consumer Sciences affiliated secondary level student leadership organization Washington--Family, Career and Community Leaders of America. Leadership provided: authorship of grant application; developed and managed budget; managed personnel and project activities.

Principal Investigator. Office of Superintendent of Public Instruction. 2006-2007 (\$42,400). To provide leadership for the Family, and Consumer Sciences affiliated secondary level student leadership organization Washington--Family, Career and Community Leaders of America. Leadership provided: authorship of grant application; developed and managed budget; managed personnel and project activities.

Principal Investigator. Office of Superintendent of Public Instruction. 2005-2006 (\$34,400). To provide leadership for the Family, and Consumer Sciences affiliated secondary level student leadership organization Washington--Family, Career and Community Leaders of America. Leadership provided: authorship of grant application; developed and managed budget; managed personnel and project activities.

Co-Investigator. 2005-2006 (\$25,000). Washington State University Alcohol and Drug Abuse Grant. To investigate alcohol and tobacco messages in music videos as perceived by parents and children. (Principal Investigator: Kathleen Boyce Rodgers).

Principal Investigator. Office of Superintendent of Public Instruction. 2004-2005 (\$34,400). To provide leadership for the Family, and Consumer Sciences affiliated secondary level student leadership organization Washington--Family, Career and Community Leaders of America. Leadership provided: authorship of grant application; developed and managed budget; managed personnel and project activities.

Principal Investigator. Family, Career and Community Leaders of America (FCCLA). 2003-2004 (\$3,000). To support research on the effectiveness of the STOP the Violence program and promote FCCLA. Leadership provided: authorship of grant application; developed and managed budget; managed personnel and project activities.

Principal Investigator. Office of Superintendent of Public Instruction. 2003-2004 (\$34,400). To provide leadership for the Family, and Consumer Sciences affiliated secondary level student leadership organization Washington--Family, Career and Community Leaders of America. Leadership provided: authorship of grant application; developed and managed budget; managed personnel and project activities.

Principal Investigator. Office of Superintendent of Public Instruction. 2002-2003 (\$34,400). To provide leadership for the Family, and Consumer Sciences affiliated secondary level student leadership organization Washington--Family, Career and Community Leaders of America. Leadership provided: authorship of grant application; developed and managed budget; managed personnel and project activities.

Principal Investigator. Office of Superintendent of Public Instruction. 2001-2002 (\$35,000). To provide leadership for the Family, and Consumer Sciences affiliated secondary level student leadership organization Washington--Family, Career and Community Leaders of America. Leadership provided: authorship of grant application; developed and managed budget; managed personnel and project activities.

Principal Investigator. Office of Superintendent of Public Instruction. 2000-2001 (\$35,000). To provide leadership for the Family, and Consumer Sciences affiliated secondary level student leadership organization Washington--Family, Career and Community Leaders of America. Leadership provided: authorship of grant application; developed and managed budget; managed personnel and project activities.

Principal Investigator. Office of Superintendent of Public Instruction. 1999 (\$2,400). To provide in-service for family and consumer sciences educators regarding Family and Consumer Sciences National Standards and process skills. Leadership provided: authorship of grant application; developed and managed budget; managed project activities.

Co-Investigator with Marvin Kleene, Biological Systems Engineering. Office of Superintendent of Public Instruction, 1997-1998 (\$40,000). To develop partnerships with K-12 programs, curriculum development for teacher preparation programs.

Principal Investigator. Office of Superintendent of Public Instruction. 1995-1996 (\$48,000). To provide consultation with practicing Family and Consumer Sciences educators regarding teaching methodologies, curriculum development, program marketing; regional consultation for Future Homemakers of America. Leadership provided: authorship of grant application; developed and managed budget; managed personnel and project activities.

Principal Investigator. Office of Superintendent of Public Instruction. 1994-1995 (\$48,000). To provide consultation with practicing Family and Consumer Sciences educators regarding teaching methodologies, curriculum development, program marketing; regional consultation for Future Homemakers of America. Leadership provided: authorship of grant application; developed and managed budget; managed personnel and project activities.

TEACHING ACTIVITY

GRADUATE COURSES TAUGHT, Central Washington University

FCSE 521 Curriculum Development 2009, 2013

OCED 598 Field Experience, 2010, 2012

CTEA 584 Supervision and Evaluation, 2010, 2012

FCSE 590 Field Experience, 2009, 2013

GRADUATE STUDENTS SUPERVISED AS PRIMARY ADVISOR AND COMMITTEE CHAIR

Amy Shepherd, (Co-Chair with Tom Power), M. A., Completed, 2012, Bully victimization: A retrospective study on how families foster resiliency.

Ruby V. Jackson, (Co-Chair with Tom Power), M. A., Completed, 2009, College student engagement: The importance of active learning, teamwork and instructor characteristics.

Leslie Boreen, (Co-Chair with Tom Power), M. A., Completed, 2007, An exploration of the relationship between students' and teachers' perceptions of school safety and the importance of safety strategies.

UNDERGRADUATE COURSES TAUGHT

Department of Human Development, Washington State University

HD 101 Human Development Across the Lifespan, 2000-Present
HD 204 Family Systems, 2006-2009
HD 302 Parent-Child Relationships, 2005-2014, 2017-2018
HD 350 Diversity in Contemporary Families, 2006
HD 407 Directed Teaching for Family and Consumer Sciences, 1993-Present
HD 408 Advanced Adolescent Development, 2011
HD 420 Human Development Theories, 2010-2011
HD 479 Program Planning for Family and Consumer Sciences, 1993-2016
HD 480 Instructional Strategies, 1992-Present
HD 485 Participation in Human Development Research
HD 487 Special Topics: Facilitating a GRADS Course
HD 495 Instructional Practicum
HD 499 Special Problems
HD 600 Special Projects or Independent Study; 2016 – specific topic of preparing graduate students for sole responsibility teaching HD courses, with Deb Nelson

HD 700 Master's Research, Thesis, and/or Examination
UH 450 Honors Thesis or Project
AGHE 342 Instructional Methods (currently HD 480)
AGHE 434 Curriculum Development (currently HD 479)
AGHE 407 Directed Teaching (currently HD 480)
CCFS 242 Child Observation, 1995

Department of Educational Leadership and Counseling Psychology, Washington State University

EL/SE 303 Instructional Methods for Secondary Educators
EL/SE 316 Instructional Practicum for Elementary Educators

Department of Apparel, Merchandising, and interior Design, Washington State University, Pullman

AMT 108 Introduction to Merchandising
AMT 215 Textiles (Laboratory Supervisor)
AMT 216 Apparel Production
AMT 217 Social Psychology of Apparel
AMT 218 Apparel Evaluation
AMT 311 Flat Pattern Design
AMT 314 Tailoring
AMT 413 Consumer Aspects of Apparel
AMT 417 Cultural Aspects of Apparel

AMT 490 AMT Internships
AMT 491 Professional Development Seminar
AMT 517 Graduate/Cultural Aspects of Apparel
AMT 598 Topics in Apparel & Textiles
AYE/CFS/CT/FSHN/ID 403 -- Home Economics Capstone

Department of Family and Consumer Sciences, University of Idaho, Moscow, ID.
Consumer Education
Display Project/Clothing and Textiles

ADDITIONAL TEACHING ACTIVITY

October, 2018. Letter of recommendation written for student applying for legislative internship in Olympia, WA.

May, 2018. Letter of recommendation written for student applying for teaching position in school districts.

January, 2018. Letters of recommendation written for student applying for educational assistant positions in school districts.

December, 2017. Letters of recommendation written for two students applying for graduate school.

December, 2017. Letter of recommendation written for student applying for teaching positions. Student was hired in Sumner, WA.

May, 2017. Letter of recommendation written for student applying for teaching positions. Student was hired in University Place, WA.

February, 2017. STAR Events evaluator, Region IX, Washington Affiliate of Family, Career and Community Leaders of America.

Spring & Fall, 2016. Peer observations and coaching for two HD and one AMDT faculty members focused on teaching improvement.

February, 2016. STAR Events evaluator, Region IX, Washington Affiliate of Family, Career and Community Leaders of America.

May, 2016. Letters of recommendation written for students applying for teaching positions. Both students were hired, one in Bothell, WA, one in Bethel, WA.

December, 2016. Letters of recommendation written for students applying for teaching positions. Both students were hired, one in Renton, WA, one in Enumclaw, WA.

Spring & Fall, 2016. Peer observations and coaching for three HD faculty members focused on teaching improvement.

Spring & Fall, 2016. Observations and coaching for three graduate students with full responsibility for teaching HD courses.

January, 2015. Nominated Rachel Christensen for CAHNRS Ambassador. Rachel was selected for this team.

February, 2015. STAR Events evaluator, Region IX, Washington Affiliate of Family, Career and Community Leaders of America.

April, 2015. Letters of recommendation written for students applying for teaching positions. Both students were hired, one in Seattle, one in California.

April, 2015. Letter of recommendation written for graduate for FCCLA Adviser of the Year, Statewide Award. Award was granted to this graduate August 2015.

May, 2015. FCCLA: Leadership for family and consumer sciences students. Bates Technical College, Tacoma, WA.
Spring 2015. Peer evaluation and coaching for CAHNRS faculty member focusing on improvement of teaching.
October, 2015. Encouraged students to run for state officer positions for Washington Association of Family and Consumer Sciences Student Unit. Four WSU students were elected: Rachel Christensen as President, Stephanie Thomson as Secretary, Anna Watson as Treasurer and Megan Sirotzki as Historian.
Fall 2015. Peer observation and evaluation of teaching. Observations were completed for two clinical faculty and one adjunct faculty.

ADVISING ACTIVITY

Fall – 28 undergraduate advisees

Spring – 20 undergraduate advisees

Primary foci for undergraduate advising has been on family and consumer sciences education and adolescent development.
