

Curriculum Vita

Thomas G. Power
tompower@wsu.edu

Academic History: B.S. 1976 Michigan State University
A.M. 1980 University of Illinois at Urbana-Champaign
Ph.D. 1980 University of Illinois at Urbana-Champaign

Professional Experience

August 2017 – present Professor Emeritus, Dept. of Human Development, Washington State University
August 2000 – July 2017 Professor, Dept. of Human Development, Washington State University
July 2015 – Present Honorary Professor, Dept. of Early Childhood Education, The Education University of Hong Kong
July 2001 – June 2014 Chair, Department of Human Development, Washington State University
September 1994 – August 2000 Professor, Department of Psychology, University of Houston
September 1986 - August 1994 Associate Professor, Department of Psychology, University of Houston
February 1985 – August 2000 Adjunct Appointment, Department of Medicine, Baylor College of Medicine
August 1980 - August 1986 Assistant Professor, Department of Psychology, University of Houston

Research Interests

Social Development
Parent-Child Relations
Stress, Coping, & Health Behaviors
Childhood Obesity
Children's Play
Cross-Cultural Human Development

Grants (Direct Costs)

WSU College of Agricultural, Human, and Natural Resource Sciences
Research Initiative for Human Sciences
Principal Investigator
“Helping Children Cope with Stress: Development and Preliminary Evaluation of a Parent-Education Program for Low-Income Latina Mothers”
May 2015-May 2017, \$45,000

United State Department of Agriculture
Co-Investigator (PI, WSU Subcontract)
(PI, Dr. Sheryl Hughes, Baylor College of Medicine)
“Use of Engaging Online Videos in Conjunction with New Feeding Content to Enhance a Current EFNEP Program in the Prevention of Childhood Obesity”
April 2015-March 2022, \$4,475,863 (subcontract to WSU--\$1,450,641)

United States Department of Agriculture
Co-Investigator
(PI, Dr. Erica Austin, WSU)
"A Family-Based Media Literacy Approach as a Catalyst for Improving Healthy Eating Impacts Through 4-H"
July 2012-June 2017, \$2,500,000

United States Department of Agriculture
Co-Investigator (PI, WSU Subcontract)
(PI, Dr. Sheryl Hughes, Baylor College of Medicine)
"Promoting the Self-Regulation of Energy Intake in African American and Latino Preschoolers: A Family-Focused Obesity Prevention Program"
February 2011-January 2016, \$4,194,603 (subcontract to WSU--\$1,686,433)

National Institute of Child Health and Human Development
Co-Investigator (PI, WSU Subcontract)
(PI, Dr. Sheryl Hughes, Baylor College of Medicine)
"Parenting Influences on Child Self-Regulation, Energy Intake, and Weight"
September 2010—May 2015, \$3,137,830 (subcontract to WSU--\$315,332)

United States Department of Agriculture
Co-Investigator
(PI, Dr. Ruth Bindler, WSU Spokane)
"Comparison of Environmental Changes in the School Environment to Individual Interventions as Methods for Reducing Obesity Rates in Early Adolescence"
March 2007 – December 2010, \$1,300,000

WSU Drug and Alcohol Abuse Program
Co-Investigator
(PI, Dr. Kathleen Rodgers, WSU Pullman)
"Alcohol and Tobacco Messages in Music Videos: Parents' and Children's Perspectives"
June 2005 – December 2006, \$24,990

U.S. Department of Health and Human Services:
Administration on Children, Youth, and Families
Co-Investigator
(PI, Dr. Christopher Blodgett, WSU Spokane)
"Spokane Head Start Outcomes Initiative"
September 2002-August 2006, \$800,000

Limited Grant-in-Aid Program: University of Houston
Principal Investigator
"Parent Behavior during Stressful Medical Procedures"
June 1996 - August 1996, \$1920

National Institute of Child Health and Human Development
National Research Service Award
Faculty Sponsor (PI, Dr. Pamela Garner)
"Emotional Socialization and Children's Social Competence"
August 1992 - August 1994, \$44,300

National Institute on Alcohol Abuse and Alcoholism
Principal Investigator
"Attachment, Autonomy, and Patterns of Adolescent Drinking"
August 1990 - July 1995, \$1,235,195

National Institute of Child Health and Human Development
Co-Principal Investigator
(PI, Dr. Jennifer H. Cousins, Baylor College of Medicine)
"Development of Health Behaviors in Mexican Americans"
April 1988 - March 1993, \$370,481

Alcoholic Beverages Medical Research Foundation
Principal Investigator
"Toward an Empirical Definition of Adolescent Alcohol Abuse: A Tri-Ethnic Study"
September 1986 - August 1987, \$29,800

Hogg Foundation for Mental Health
Principal Investigator
"Children at Risk for Abuse and Neglect: The Development of Difficult Behavior in Infancy"
September 1984 - August 1985, \$16,845

New Research Opportunities Program: University of Houston
Principal Investigator
"The Development of Difficult Behavior in Infancy"
September 1984 - August 1985, \$3,813

Foundation for Child Development: Program for Young Scholars in Social and Affective Development
Principal Investigator
"Child-Rearing and Compliance: A Developmental Analysis of the Early Socialization Process"
January 1982 - December 1982, \$14,903

New Research Opportunities Program: University of Houston
Principal Investigator
"The Assessment of Exploratory Behavior in Infancy"
September 1981 - August 1982, \$4,000

Awards

Faculty Excellence in Research Award
College of Agricultural, Human and Natural Resource Sciences
Washington State University
April 2017

Outstanding Department Chair/School Director Award
Washington State University
April 2014
Thesis Advisor Award: Washington State University Honors College
December 2011

Mortar Board Outstanding Educator: University of Houston Chapter
April 1982, 1987, 1988, 1990

Editorial Activities

Editorial Board:
Parenting: Science and Practice 2009-present
Developmental Psychology 1987-1992

Collaborative Research

Texas Research Institute of Mental Sciences: Neuropsychology Division
University of Texas: Department of Pediatrics, Department of Pediatric Neurology
Urban Affairs Corporation: Adolescent Clinic
Baylor College of Medicine: Health Promotion, Department of Pediatrics, Children's Nutrition Research Center
Texas Children's Hospital: Department of Psychiatry
University of Maryland—Baltimore County: Department of Psychology
Spokane Public Schools
University of Colorado School of Medicine: Department of Pediatrics
North Carolina State University: Food, Bioprocessing, and Nutrition Sciences
Temple University: Department of Public Health
Colorado State University, Food Science and Human Nutrition
Education University of Hong Kong, Early Childhood Education

University, College, and Department Service

University Committees:

Faculty Senate; Campus Life; Research Awards; Undergraduate Council; Writing Competency Exams; Outreach Council; Distance Degree Advisory Committee; Graduate Studies Committee; Dean's Review Committee

College Committees:

College Governance; Teaching Excellence; Teaching Assessment Committee, Administrative Integration Task Force, Co-Chair All CAHNRS Faculty Conference

Department Committees:

Executive; Faculty Evaluation; Indirect Costs Recovery; Space; Structure and Function; United Way; Curriculum Development; Search; Mentoring; Graduate

Developmental Program Committees:

Admissions; Comprehensive Exams; Curriculum

Administrative Positions:

Director of Graduate Training in Developmental Psychology; Associate Chair of Psychology Department; Graduate Coordinator and Chair, Department of Human Development; Prevention Science Program Director

Courses Taught

Undergraduate:

Child Development, Parent-Child Relations, Psychology of Adolescence (Have taught both Child Development and Psychology of Adolescence as distance education courses); Family Diversity, Middle-Childhood to Adolescence

Graduate:

Child and the Family, Cross-Cultural Human Development, Infant Development, Observational Research Methods, Social Development, Proseminar, Seminar in Child Development, Theory and Substance in Human Development, Research Methods

Current Research Programs

My current interests are on the role of parents in the socialization of health promoting and health compromising behaviors in children and adolescents from a wide range of populations. Current projects include: prevention of obesity in preschool children; parental influences on children's coping with chronic disease; parental influences on children's appraisal of and coping with stressful events.

Theses and Dissertations Chaired

Dissertations:

Silva Garcia, K. The impact of a parent education program for helping mothers help their children cope with stress on children's coping and adjustment. May, 2020.

Hidalgo-Mendez, J. The relationship between coping and disordered eating in Latino preadolescents. December, 2019.

Ramos, G. Helping mothers help their children cope with stress: Evaluation of a program for Latina mothers. December, 2019.

Hopwood, V. Maternal responsiveness and children's hot and cold executive functions. December, 2018

Olivera, Y. Preliminary evaluation of a program to help low-income Latina mothers help their children cope with stress: A mixed method approach. May, 2017

Beck, A. An integrated approach to program development: A case study of a family-based obesity prevention program. May, 2016

Stewart, C. Identifying drinking patterns in adolescence: A cluster analytic study. May, 2001.

Duncan, M. The effects of gender and time constraint in the activation of general and specific internal working models. August, 2000

Fleury, S. Children's exposure to everyday stressors in day care settings: A descriptive study. May, 1998.

Hartos, J. Mother-adolescent relations and adolescent problem behaviors within single-mother families. August, 1998.

Daly, J. Predictors of attrition in a program for men who batter. December, 1997.

Lewinsohn, M. The relation between parental personality and parental perceptions of their infant. August, 1997.

Zan, B. Friendship and interpersonal understanding in young girls. December, 1997.
