Appointments

School of Economic Sciences, Washington State University	2007 - Present
– Associate Director	2024 - Present
– Professor	2020 - Present
– Associate Professor	2013 - 2020
– Assistant Professor	2007 - 2013
Board of Directors, Washington State Institute for Public Policy	2019 - Present
Commission Member, Universal Health Care Commission, Washington	2021 - Present
Editorial Board, Applied Economics Perspectives and Policy	2018 - Present
Editorial Review Board, Journal of Consumer Affairs	2024 - Present

Education

Ph.D. Agricultural, Environmental and Development Economics, The Ohio State University	2007
M.A. Economics, The Ohio State University	2004
M.S. Statistics, The Ohio State University	2003
B.S. Statistics, Lady Shri Ram College, University of Delhi, India, <i>First Class with Honors</i>	2001

Research Areas

Health economics, Health policy, Health services

Awards

- 2023 Excellence Award in Mental Health Policy and Economics Research, International Center of Mental Health Policy and Economics
- 2018 Faculty Staff Appreciation Award for Exceptional Usage of Open Educational Resources, awarded by the Associated Students of Washington State University
- 2017 Community Health Impact Faculty Fellowship by the Pullman Regional Hospital Center for Learning and Innovation
- 2016 Rep. Timm Ormsby Award for Faculty Citizenship in the State of Washington
- 2005 Student Travel Award, Annual Conference of the American Council on Consumer Interests. Research published as *Mandal, B., Chern, W. "Changes in factors contributing to rising body mass index: 1997 versus 2002" (2005). Consumer Interests Annual (52), Proceedings of the 52nd Annual Conference of the American Council on Consumer Interests, 170-185.*
- 2004 Winner of Student Paper Competition, American Statistical Association's Government Statistics Section, Social Statistics Section, and Section on Survey Research Methods. Research published as *Mandal, B., Stasny, E. "Imputing missing income data and weighting data with imputed income" (2004). Proceedings of the 2004 Joint Statistical Meetings, American Statistical Association, 3962-3980.*

Work in Progress

Sanjeevi, N., Amram, O., Mandal, B., Hooker, K., Monsivais, P. “Rental assistance and cost-related medication nonadherence in low-income adults with diabetes”. Revise and Resubmit, *Journal of Health Care for the Poor and Underserved*.

Mandal, B. “Prenatal WIC participation among natives and immigrants”. Manuscript under preparation.

Mandal, B. “Telehealth utilization for primary and preventive care among food insecure individuals”. Manuscript under preparation.

Xu, J., Mandal, B. “The impact of misdemeanor on employment outcomes”. Manuscript under preparation.

Xu, J., Mandal, B. “Parental expectations and wage differentials”. Manuscript under preparation.

Teaching at WSU

EconS 701: Independent Capstone Project, Masters course, Spring 2023, 2024.

EconS 526: Mathematical Economics with Applications, Masters course, Fall 2022-current.

EconS 506: Mathematics Primer for Economists, First year PhD course, Fall 2008-2021.

EconS 514: Econometrics IV, Second and Third year PhD course, Spring 2013, 2015, 2017.

EconS 324: Economics of Health Care, Undergraduate course, Fall 2007-2021.

Grants

Examining the Intersection of Race-Ethnicity and Rurality in Telehealth Utilization for Perinatal Care in Colorado and the Effect on Maternal and Infant Health Outcomes. National Institutes of Health. Under review, first resubmission. \$435,200. PI: Mandal, B. Co-I: Fang, N.

Can Telehealth Reduce Preventable Hospital Admissions and Emergency Department Visits for Asthma, Diabetes, and Hypertension? California Health Care Foundation. Under review, new submission. \$368,534. PI: Mandal, B.

Impact of postpartum Medicaid eligibility extensions on drug overdose mortality, opioid-related inpatient stays/emergency department visits and treatment utilization in late postpartum women. National Institutes of Health. Under review, new submission. \$829,236. PI: Sanjeevi, N., Co-I: Mandal, B., McPherson, S.

Impact of housing-focused programs on medication adherence, acute care utilization and condition severity in adults with diabetes. National Institutes of Health. Under review, new submission. \$1,460,619. PI: Sanjeevi, N., Co-I: Amram, O., Mandal, B., McKeirnan, K., Monsivais, P.

Medicaid’s non-emergency medical transportation: The critical role of mobility services in accessing behavioral and preventative health care. \$40,000. PacTrans-WSU. PI: Mandal, B. (8/2019 - 7/2021).

Examining rural-urban differences in use of emergency department for chronic conditions. Health Equity Research Collaborative, Community Partnership Seed Grant. \$5,000. PI: Mandal, B. (1/2018 - 12/2019).

Pharmacist care for patients with minor illnesses in Washington State. National Association of Chain Drug Stores. \$1,304,372. PI: Akers, J., Co-I: MacLean, L., Mandal, B. (1/7/2015 - 6/30/2019).

Rural healthcare: Before and after the Affordable Care Act. WSU Research Initiative in Human Sciences Grant. \$47,000. PI: Mandal, B., Co-I: McCracken, V. (7/2015-6/2017).

Community needs assessment of Southwest Washington: A focus on low-income and older adults. \$48,500. PI: Bolkan, C., Co-PI: Mandal, B. (7/2015-6/2017).

The effect of the Affordable Care Act on health coverage and employment in the agricultural industry in the state of Washington. WSU Emerging Research Issues Internal Grant. \$75,914. PI: Mandal, B., CO-I: Brady, M., Gallardo, K.. (1/2014-12/2015).

Economic analysis of Extension programming in Island County, Washington: Developing a model for assessing the costs and benefits for County-wide Extension Programming. WSU Extension Internal Grant. \$47,211. PI: Mandal, B., Co-I: Lawrence, T. (1/2013-6/2015).

Consumer food safety for Washington families. WSU Extension Internal Grant. \$49,961. PI: Viebrock, M., Co-I: Mandal, B., Brown, S., Combe, A., Powers-Hammond, L., Price, C. (1/2013-12/2015).

Develop cost-benefit analysis ratio for the Extension Nutrition Program, University of Idaho. Honorarium, University of Idaho. \$2,850. PI: Johnson, S. (University of Idaho), co-PI: Peutz, J., Investigator: Mandal, B. (4/1/2012-6/30/2012).

Weight trajectories among young children and early adolescents: Results from the Early Childhood Longitudinal Study Cohorts. NSF ADVANCE EXCELinSE External Mentor Program at WSU. \$3,550. PI: Mandal, B., External Mentor: Powell, L. (University of Illinois at Chicago). (3/1/2012-2/28/2013).

Transforming the quality of transitional care across the continuum by leveraging the expertise of home health coordinators. Providence Health and Services. \$25,000. PI: Bauer, T., WSU Consultant: Corbett, C., Mandal, B. (3/11/2011-6/8/2011).

Transitional care medication safety and medical liability: Closing the chasm. Agency of Health Care Research and Quality. \$298,810. PI: Corbett, C., Co-I: Collins, J., Dupler, A., Guido, V., Mandal, B., Masteller, S., Nyman, J., Setter, S., Thomas, C., Weeks, D. (1/20/2010-9/15/2011).

Initiation of Collaboration Grant - Interdisciplinary research collaboration in gerontology. CAHNRS, Washington State University. \$5,000. PI: Bolkan, C., Co-I: Mandal, B., Cook, D., Garafolo, J., et al. (8/1/2010-12/10/2010).

Initiation of Collaboration Grant - Agenda on health disparities. CAHNRS, Washington State University. \$4,814. PI: Parker, L., Co-I: Mandal, B., Butkus, S., Broughton, S., et al. (8/1/2010-12/10/2010).

Development of econometric models for improved estimation of prevention program benefits. National Institutes of Health. \$394,262. PI: Rosenman, R., Co-PI: Hill, L., Co-I: Mandal, B., Mittelhammer, R. (3/12/2009-5/4/2012).

Analyze and report Infant Feeding Practices Study II data on infant feeding and maternal employment. Food and Drug Administration. \$29,250. PI: Mandal, B., Co-PI: Fein, S. (Food and Drug Administration). (7/30/2009-8/31/2011).

Analyze and report Infant Feeding Practices Study II data on infant feeding and maternal employment. Food and Drug Administration, \$10,000. PI: Mandal, B., Co-PI: Fein, S. (Food and Drug Administration). (8/1/2007-8/31/2009).

Mandal, B., Stasny, E. Imputing missing income data and weighting data with imputed income. (2004). Joint Statistical Meetings, Toronto, Canada.

Invited Presentations and Outreach

Mandal, B. (2023). Telehealth prenatal care utilization and maternal health outcomes. Hosted by the Prenatal to Three Network, Skagit County Public Health Department. Target Audience: Community health care providers.

Mandal, B. (2022). Disparities in accessing behavioral and preventative health care. Virtual presentation, NC2172 Multi-State Project, Annual Meeting.

Mandal, B. (2021). Medicaid's non-emergency medical transportation: The critical role of mobility services in accessing behavioral and preventative health care. Virtual poster presentation, Pacific Northwest Transportation Consortium, University of Washington.

Mandal, B. (2018). Developing an evaluation framework to determine effectiveness of the Chronic-Utilizer Alternative Response Team (CHART) program. Partners: WSU Metropolitan Center for Applied Research and Extension. Target Audience: Public Health and Safety Officials, City of Everett.

Mandal, B. (2018). Economic tools for program evaluation. Target Audience: Youth and 4H Extension Faculty.

Mandal, B. (2018). Health care and access in the rural American West. Yakima, Washington. Hosted by the Bill Lane Center for the American West at Stanford University. Target Audience: Health care practitioners in rural Washington and health care policy analysts.

Mandal, B. (2017). Understanding the need for and scope of transitional care in Pullman and Palouse region. Health Innovation Summit at the Pullman Regional Hospital. Target Audience: Health care practitioners and administrators.

Bolkan, C., Mandal, B., Kim, E. (2017). Southwest Washington aging in place needs assessment. Target Audience: Community program providers who serve older adults, Nurse Practitioners from home health agencies.

Mandal, B. (2017, 2018). Rural-urban disparities in health care utilization for chronic conditions. Health Research Symposium, Health Policy and Administration, WSU-Spokane.

Mandal, B. (2017). Scope of transitional care in Pullman and Palouse region. Target Audience: National Board of Advisors at the Pullman Regional Hospital.

Bolkan, C., Mandal, B., Kim, E. (2016). Developing evaluation tools for community needs assessment. Target Audience: Area Agency on Aging and Disability of Southwest Washington.

Lawrence, T., Mandal, B. (2015). Economic analysis of extension programming in Island County, Washington. Washington State Extension Impact Report. Target Audience: Extension educators and administrators.

Mandal, B., Lawrence, T. (2015). How are extension programs valued? A case study of WSU Extension. Target Audience: Extension educators and administrators attending the WSU Agriculture and Natural Resources Winter Meetings.

Mandal, B. (2015). Labor intensive farm businesses and the health care reform. Federal Reserve Bank of Chicago.

Mandal, B., Powell, L. (2012). Childcare choices, food consumption patterns and childhood obesity. Institute for Health Research and Policy, University of Illinois at Chicago.

Mandal, B., Brady, M., and Gallardo, K. (2013). The Affordable Care Act - employer mandate: An overview of its impact on agricultural employers. Audience: Farm Businesses, WA attending the Washington State Horticultural Association Annual Meeting.

Mandal, B. (2012, 2013). Costs and benefits of Supplemental Nutrition Assistance Education Program in northwest Idaho. Audience: SNAP-Ed Faculty and Administrators from University of Idaho - Extension.

Mandal, B. and Bolkan, C. (2011, 2012). Hospital and community based care transitions in Clark county. Audience: Hospital administrators from Legacy Health Salmon Creek Medical Center and PeaceHealth Southwest Medical Center, Vancouver, WA, and Case Managers from the Southwest Washington Agency on Aging and Disabilities.

Price, C., Calodich, S., and Mandal, B. (2012). Evaluation of program targeted at Hispanic and Latino population in Eastern Washington to reduce complications due to diabetes. Target audience: Hispanic and Latino residents of rural Washington diagnosed with diabetes, to improve self-management of routines in this population.

Lawrence, T. and Mandal, B. (2012). Economic analysis of extension services in Island County, Washington. Target audience: County and state policymakers, Extension educators.

Mandal, B. (Webinars: March, 2012). Identification of post-acute care services to be bundled for selected diagnoses provided by the Inland Northwest Health Services. Organizer: St. Luke's Rehabilitation Institute, Spokane. Audience: Administrators from St. Luke's Rehabilitation Institute, Providence St. Joseph, Providence VNA, Avalon Health Care, and Family Home Care and Hospice.

Viebrock, M. and Mandal, B. (2011). Design evaluation tool to understand barriers faced by women in agriculture. Target audience: Women agricultural producers in western and central Washington, to improve delivery of Extension and Outreach programs targeted at this population.

Mandal, B. (2011). Developing and implementing Medicare bundled payments for care improvement. Audience: Administration of the Inland Northwest Health Services, Spokane, Washington.

Mandal, B. and Bolkan, C. (2011). Evaluating effectiveness of community based aging and disabilities services in Clark County. Audience: Case managers from the Southwest Washington Agency on Aging and Disabilities.

Mandal, B. (2011). Economic tools to evaluate social science programs. Washington State Association of Counties, Bellevue, Washington. Audience: WSU Extension Directors.

Mandal, B. (2011). Survey design to collect data for a cost-benefit analysis of the Supplemental Nutrition Assistance Program - Education materials. Audience University of Idaho Extension - Nutrition and Food Safety.

Mandal, B. (2011). Cost effectiveness analysis of Transitional Care program in Providence Hospitals in Spokane. Audience: Nurse practitioners in hospice care.

Mandal, B. (2011). A background on health extension and outreach. Departmental Lunch Session at the All Extension-CAHNRS Conference, Pullman, Washington. Audience: WSU Extension Faculty with expertise on obesity and nutrition.

Mandal, B. (2011). Cost-effectiveness of transitional care intervention programs. Audience: Providence Sacred Heart Medical Center board members and nursing staff.

Wordell, D., Daratha, K., Mandal, B., Bindler, R., Butkus, S. (Seminars: November, 2010 - May, 2011). Association between changes in school food environment and food choices of early adolescents. Audience: Principals and Nutrition Services Teams of Chase, Garry, Glover, Sacajawea, Salk and Shaw middle schools, Health Advisory Committee of Spokane Public Schools.

Mandal, B. (2011). Economic tools to evaluate social science programs. Washington State Association of Counties, Bellevue, Washington.

Mandal, B., Lee, S. (2010). The effect of work status on breastfeeding initiation and duration among mothers in the northwest. Poster Presentation at the Inland Northwest Health Science Research Symposium, Spokane, Washington.

Mandal, B. Cost-benefit analysis. (2009). Washington State University Diabetes Forum, Spokane, Washington.

Advising

PhD (Chair): Jingjie Xu (in progress), Wenjun Wu, Zhazira Alisheva, Samiya Al-Mamari, James Miller.

PhD (Co-Chair): Melissa Wright, Boris Houenou, Kara Grant.

PhD (Committee): Hector Botello (in progress), Nana Kyei-Boadu (in progress), Anna Gisselman (in progress - Department of Nutrition and Exercise Physiology), Sahil Patil (in progress), Katelin Swanson, Rashmita Basu, Seungchul Lee, Vidhura Tennakoon, Yongwon Cho, Dinkar Kuchibhotla, Miaoru Liu, Wen Chen, Bhagyam Chandrasekharan, Anthony Delmond, Zhuang Hao, Christopher Ambrose.

Masters: Kayla Hooker (in progress - Department of Nutrition and Exercise Physiology), Kristina Gibson, Pedro Jimenez (Chair), Brian Eisenbarth (Chair), Nhat Thi Hong Le (Chair), Philip Castellanos (Chair), Luke Morgan, Brendan Lehman, Haoyi Yang, Fatima Tucker, Mirzobobo Yormirzoev, Yiwen Zheng, Lin Cui, Luis Ramirez, Kyung Lim (Chair), Casey Suter, Keegan Murphy (Chair).

Honors College (Chair): Conor Dobbin, Karen Rogers, Peter Klosterman.
