

**Skinny Heifers**

How do you help your first year heifers  
make their maiden voyage across the sagebrush sea?  
They don't know where to go  
They're just following you and me  
I with my blonde horse and hair  
So sorry we're smashing prickly pears  
Go girls go on and run  
This cracked and dried ground  
couldn't even hold them a few more days  
They're just young heifers  
but having skinny cows won't make a living
